## **Team Racing**

Hyannis Yacht Club continued to build the team racing program under the leadership of Amanda Donohue and Melissa St.Onge. Tuesday team racing featured competition between Hyannis and Wianno Yacht Club competitors. There were no winners but plans to review the program and plan for next year leads to the beginning of a new tradition at HYC. The special Saturday events stood out and some, like Independence Day and Chix Only, have become annual events. Thanks to the Roger Newson team for providing the Chix with liquid refreshments! The summer send off was cancelled due to lack of wind although a strong complement of sailors and race committee were on hand to participate. Also, a special shout out goes to the Hyannis Yacht Club staff for preparing the boats to sail and for supporting the efforts of strengthening team racing in Lewis Bay.
